**Addendum 02
March 9, 2020
RFP 20-R0019
Ambassador Program**

The purpose of this Addendum 02 to RFP 20-R0019 for Ambassador Program, dated February 25, 2020, and previously amended on March 3, is to clarify the quantity of various maintenance items within the district.

- There are 154 hanging baskets that will need daily watering.
- There are 340 trash cans that will need to be addressed. The expectation is that the trash cans will use liners to reduce odors and stains; trash cans will be cleaned when contents are emptied. Cleaning should consist of wipe down, gum removal, and loose litter pick-up inside the caged area.
- Until the time of award, no contact with other City personnel related to this project is permitted.
- Proposals are due in the Purchasing Office no later than 2:00PM (local time) on Thursday, March 19, 2020. The City of Myrtle Beach is not responsible for late or misdirected mail. No e-mail submissions will be accepted.
