Question #1: The current fence layout at S. Island is different than the proposed layouts. Also the proposed layout is just for two courts. Which one do you guys want to run with? Also, am I to assume that it's one continuous pad at S. Island for the sport court and the tennis or is there a break in between?

Response: We want 2 tennis courts & 1 basketball court. Fence around perimeter of tennis courts, 3 sides of basketball court, they can be separated or one large asphalt slab as long as we have 2 tennis courts & 1 basketball court.
