ADDENDUM #1 TO BID #19-107

BID NUMBER: 19-107

ISSUE DATE: Friday, December 6, 2019

OPENING DATE: Wednesday, December 18, 2019 **OPENING TIME: 3:00 PM (ET)**

Bid Opening Location: Georgetown County Courthouse, Suite #239, (Purchasing Conference Room)

Pre-Bid Site Inspections: INDEPENDENT-On Own

PROCUREMENT FOR: South Island Ferry Boat Landing Dock Replacements & Additions

This addendum will amend **Bid #19-107, South Island Ferry Boat Landing Dock Replacements & Additions** originally issued on Wednesday, November 20, 2019. This clarification is being provided to all known and registered correspondents in response to questions received. All addenda and original bid documents are also available online at: www.gtcounty.org, select "Bid Opportunities" from the Quick Links section and "View Current Bid Solicitations."

Question #1: Would you correct our point of Contact telephone number through the first addendum issued as one of the 4 pre-approved Aluminum doc vendors for this bid project? It is incorrect and incomplete.

Response: Thank you for informing us of this error. See below for corrected information:

**Dock Hardware & Marine Fabrication
P.O. Box 2295
Conway, SC 29528
PH#: 843-798-3625
EMAIL: Dockhardware1@optonline.net**

Question #2: Through vendor registry on your end are you able to keep track of plans holders for South Ferry Boat Landing bid project? Since there is no scheduled pre-bid to pass a sign in sheet around, how would a manufacture such as ourselves be kept aware of interested GC participants?

Response: I have confirmed with vendor registry that there is a way to pull a report but it will not be accurate/all encompassing. I have attached the report here for your reference. However, please keep in mind that this report will only show vendors who have logged into their Vendor Registry profile accounts and downloaded the documents while logged in. Since we do not require registration to view/download our bid documents the system cannot track those outside users.

Question #3: Would you share with the bidders the engineers estimate or budget for the full scope of work outlined in the bid documents for the South Island Ferry Landing Site Improvement Project?

Response: Yes, the budget is \$372,720.00.
