ADDENDUM #1

Date: August 11, 2021

Request for Proposals # 22-072921

Broadband Grant Applications and Project Implementation

Deadline: Monday, August 16, 2021 @ 2 p.m.

TO ALL POTENTIAL BIDDERS:

The following information is being provided for purposes of clarification or in response to questions received from potential offerors. In the event that any of these specifications conflict with previous specifications, the specifications in this addendum shall control. Prepare your proposals accordingly:

Question 1: Under Section 4.2, Item B.6. is struck out. Does this mean that you no longer require a current or most recent audited financial statement?

Answer: Under Section 4.2 Section B.6., only the number 6 is struck through. That is a formatting error. That section is required.

Question 2: Under Section 4.2 Item D stated we should "Return a draft of the VATI Grant Application", could you please clarify that request. Not sure if you are requesting that we send you a copy of the "VATI Grant Application" to ensure we know what we are agreeing to or if you are requesting we supply you with a completed "VATI Grant Application" for Dinwiddie County prior to being selected by the County to partner on the application which is why we are submitting the RFP to begin with.

Answer: Please return a completed copy of the VATI Grant Application for Dinwiddie County with your proposal.

Question 3: Can you confirm that the County or Authority submitted its July 27th notice letter to DHCD?

Answer: Yes, our Notice of Intent was submitted.

Question 4: Section 4.1 states that electronic submissions can be submitted via Vendor Registry, is a hard copy also required?

Answer: If you decide to submit your proposal electronically, no hard copies are needed. You can upload all your documents into the system. If you would like confirmation of receipt after you have submitted your proposal, please call (804-469-4500 Opt 1 Ext 2150) or email (hcasey@dinwiddieva.us). I am able to see who submitted proposals, but I am unable to see the proposals themselves until after the deadline.

Note: A signed acknowledgement of this addendum must be received by this office prior to the due date and time, or must be attached to your proposal. Signature on this addendum does not constitute signature on the original proposal document. The original proposal document must also be signed per RFP instructions.
