RFP Opening Date: **July 19, 2023**

This addendum is being released to answer questions received.

The information and documents contained in this addendum are hereby incorporated in the request for proposals.

### Questions and Answers

1. Please confirm whether or not there will be formal site visit meetings scheduled that vendors are required to attend, or if vendors will be on their own to schedule the visits at their convenience.  
**There are no formal site visits scheduled.**
2. If the visits are to be scheduled at the convenience of each vendor, will vendors need to provide proof that these site visits have been completed as part of their submittal? If so, is there a specific form or report that will need to be included to verify completion?  
**No proof is required, but please refer to Article 6 in the Sample Agreement for Contractor's Responsibilities.**
