- On the first page of the Bid Form you have a bid item for 400-0005 ASPHALT CEMENT PRICE ADJUSTMENT – QTY 1. \*\*
    - We assume that this means that this project will utilize the GDOT Asphalt Cement Index, is this correct?
    - Is this supposed to be an Allowance that you want the Contractor insert into the Price/Total Price? If so please provide the Allowance Value for us to use. Answer: Bid item 400-0005 has been removed from the bid form.
  - Within the Bid Documents you tell us that all work shall be completed 365 Calendar Days after the Notice to Proceed (NTP), yet on the bid form you have a line for Completion Time. The assumption is that we would write in 365 Calendar Days after NTP. Can you please confirm this? Please confirm in the bid document that your company can complete the project in 365 days.
  - Can you provide an Anticipated Notice to Proceed Date for this project? May 2, 2022
  - Will this project utilize the new GDOT 2021 Standard Specifications? Yes
  - A new bid form is attached and should be used for bid response.
