

**ADDENDUM NO: 1**

**Bid: 203416/306019 – Asphalt Rejuvenation Agent**

**DEPARTMENT: Chattanooga Department of Transportation**

**REASON: Extending The Opening Date & Question/Answer**

**OLD OPENING DATE: November 12, 2020**

**NEW OPENING DATE: November 19, 2020**

**1. Bid Opening Date being extended to obtain additional bids**

**2. Question:** Under Quality Assurance on Page 7, Section D states “Contractor shall have the appropriate licensing and certifications to perform all duties listed in this contract. Copies of the license and certifications will be provided to the City by the Contractor along with the proposals submitted for the bid opening.” However, it does not specify what license and certifications are required. We are an out of state Company licensed as a General Contractor in the State of Tennessee. In addition to our State License, will a Business License be required?

*\*Out-of-state contractors who perform contracts in Tennessee are subject to Tennessee business tax and local business licensing in the following ways:*

*If an out-of-state contractor’s sales during its fiscal year are more than \$50,000 in any county, the contractor must obtain a license from that county. Business tax must also be filed and paid to the Tennessee Department of Revenue on these sales.*

*If an out-of-state contractor’s sales during its fiscal year are more than \$50,000 in any municipality, the contractor must obtain a license from that municipality. Business tax must also be filed and paid to the Tennessee Department of Revenue on these sales. This is in addition to the business taxes filed with respect to the county.*

*Out-of-state contractors performing work in any county where annual gross sales are between \$10,000 and \$50,000 must be reported on the contractor’s out-of-state location. Out-of-state locations do not require a contractor to obtain a business license from the state – the only obligation is that the business tax be remitted on the gross sales.*

**PLEASE SIGN ONE (1) COPY OF ADDENDUM AND RETURN TO THE PURCHASING DEPARTMENT. RETAIN THE OTHER COPY FOR YOUR FILES.**
