ADDENDUM 1

April 11, 2019

This Addendum #1 is being released to make the following changes:

1. The new VCT tiles should not contain any asbestos materials
2. There is currently a small tiled area in both room 214 and 215 at Mayo Elementary School. In an attempt to match tile, it may be necessary to consider retiling these areas as well. We are requesting to price the replacement of these small areas as an alternate to the project. Please see attached revised pricing sheet.
