From: Myrna Yarbrough, Purchasing Manager

RE: Addendum 2 to Jackson County ITB 200013, Trunked Radio System for Jackson County

1. Addendum 2 is hereby issued to answer questions, per attached.
2. All other terms and conditions in ITB 200013 remain unchanged.
3. Any inquiries concerning Addendum 2 should be made to Myrna Yarbrough, Purchasing Manager, (706) 367-6309 or via email at myarbrough@jacksoncountygov.com
4. Jackson County reserves the right to reject any and all proposals, to waive any technicalities or irregularities and to award the offer based upon the most responsive, responsible submission.
5. Bidders must acknowledge receipt of addenda, by either signing and attaching this copy, or by writing "Acknowledge Addenda #2" at bottom of the proposal.
6. The provided answers are to clarify the Proposal in the following particulars only, and is a part of the Proposal document.
7. **All provided plans, drawings or other documents provided are confidential and will not be shared publicly in any form.**

Part or Appendix	Section	Question/Answer
Appendix D	2.0	<p>Question: Regarding the critical building listed as "Transco tap Station address at US hwy 441 at Bob Homan Rd, Commerce GA", we believe this intersection is located in Athens-Clarke County.</p> <p>Answer: This location has been removed from the critical building list.</p>
Part 2	17.2	<p>Question: Are all the 15 sites listed in section 17 .2 connected to the County private LAN?</p> <p>Answer:</p> <ul style="list-style-type: none"> ● EMS Station 4: 5460 Highway 441, Nicholson, GA 30565 25mb link ● EMS Station 6: 528 Crooked Creek Road, Athens, GA 30607 15mb link ● All other stations use a VPn over a commercial internet service and cannot be considered reliable for the purpose of connecting to each station.
Part 2	7.0 17.7	<p>The county wanted to add the following clarification to the consoles and furniture installation.</p> <ul style="list-style-type: none"> ● 10 consoles total: 2 call taker, 1 supervisor, 7 operators ● Ergonomic consoles to raise at least 6 ft., forward and backwards, preferably with heat/air. ● It currently states to replace all existing radio dispatch consoles. ● It is preferred that the layout of the furniture will be closer together for easier communication between operators. ● Sound panels on the wall X 4 ● New headsets and wireless boxes (7.4.8 Dispatcher Headsets) ● New chairs X 10
Part 1	1.2.1	<p>Question: In order for bidders to fully incorporate the details gained from the site visits and addendum #1 and provide the best possible solution to the County, would the County please extend the due date by approximately two weeks?</p> <p>Answer:</p>

		The proposal due date will remain October 30, 2020 at 4pm EST. There will not be an extension to this date.
Part 2	6.3.3	For Clarification, Section 6.3.3 should read: A minimum number of accessible grids, sufficient to provide statistical accuracy of results in the order of +/-0.25 dBm or less, shall be tested.
Appendix D	1.0	The County is able to provide detailed floor plans/drawings in electronic format of the Transportation Office (bus shop). The drawings can be sent by email upon request. Contact Myrna Yarbrough, Purchasing Manager, via email at mailto:myarbrough@jacksoncountygov.com .
Part 1	1.2.1 1.2.2	The September 14th, 2020 Mandatory Pre-Proposal Conference sign in sheet is included below with this addendum.
Part 2	17.2	The County is providing the following clarification to the scope of the fire alerting system. <ul style="list-style-type: none"> ● All stations will be a single alert zone but the equipment must be capable of multiple zones for future expansion. ● An updated list of all fire stations is included below with this addendum.
