Description

On April 25, 2023, two bids were opened for the roofing project at Barranca, Ben Lomond, Manzanita and Merwin Elementary, Traweek Middle and Covina, Northview and South Hills High Schools. This project is being funded by Fund 40.0, Capital Outlay Special Projects Fund.

The bid allowed for the removal of any mixture of these sites to reduce the bid to match the budget allotted for roofing in the 2023/24 school year, if needed. The District has opted to remove the Barranca, Ben Lomond, and Merwin Elementary, Covina, and South Hills High Schools' scope. The District has also reduced the general allowance to \$100,000. This brings the total project amount to \$1,286,276, including the \$100,000 general allowance.
