

“City of Havelock  
Custom Pottery”  
Addendum 1  
March 6, 2020

Questions Received

--Are the 150 pieces to be identical?

--Is the pottery to be branded in any way, for instance with "City of Havelock"?

--Are particular colors desired?

--What is the intended use...gifts, resale, fundraising, awards?

We are open to suggestions as to the type of pottery but we would like it to be made locally, in North Carolina. The pieces can be identical or a mixture of functional pieces (small vase, spoon holder, etc.) The pottery will not be branded. The colors should be a variation of blues and browns. The pottery will be used as gifts. The deadline to receive all items is April 17, 2020.
