ADDENDUM NO. 1

Date Issued: May 25, 2022

Bid Title: Air Purification Units for Circuit Courts

Re: ITB#12705222202 (MR)

This addendum is issued to answer questions as of 05/25/2022 for the Air Purification Bid and shall be considered as part of the contract subject to all the general conditions thereof, the same as if attached to and included in the original specifications. All items included in the addendum shall be covered in the Bid as submitted by the Contractor.

1. **Question** – Will substitutions be accepted?

Answer: Substitutions will only be considered if the product is comparable, and the product meets and/or exceeds the specifications provided. The Air Purification Model and Specifications were provided to give bidders the minimum level of requirements that must be met for any potential substitutions. Product specifications must be provided with Bid.

2. **Question** – Have you considered using HVAC installed purification systems which turn the existing HVAC System into Air Purifiers?

Answer: No, not interested in that type of product at this time.

3. **Question** – What size/ type of rooms would we be treating?

Answer: Room sizes vary, some of the devices will be used in court rooms, in offices, and some will be used in court room waiting areas.
