

ADDENDUM # 1

RFB #18-19-16 Equipment for Training Rooms - NEW SPARTANBURG HIGH SCHOOL

This Addendum #1 is intended to address questions or clarify District requirements on the above referenced project. This and all Amendments (Addenda) should be acknowledged on page 2 of the Request for Bid (RFB) or by the return of this form along with bid or proposal.

Changes are being made to Scope of Service to include the following:

III. SCOPE OF SERVICES

Spartanburg School District Seven is soliciting bids from interested and qualified vendors to provide Equipment for Training Rooms, as specified (see attached specifications sheets and bid tabulation). All pricing is to be turnkey pricing and must break out labor/installation. Labor/installation will be a separate price on the bidding sheet. No single line item with total labor/install price will be accepted. Pricing must be made by item and include all requested pricing.

All taxes will not be included in the bid price but will need to be added when awarded vendors send invoices.

Schedule of items to be ship will be coordinated with the School District Coordinator. Logos and colors will be finalized prior to the final order. The building is currently under construction but is expected to be completed in phases now through August 14, 2019. Because of construction, deliveries must be scheduled. Elevators may not be available for use. There will be no loading docks. All deliveries must provide a truck with a hydraulic lift gate.

All furniture will be delivered and installed as scheduled with the School District Furniture Coordinator. Installation to include unboxing, assembling, installation into rooms and removal and disposal of any trash. Onsite contractor or district dumpsters will not be available. Trash will need to be disposed of offsite with awarded vendors.

Trainers have listed items from different vendors (Henry Schein, ACO Medical and Collins Sport Medicine) which are listed as minimum standard for each item. If you would like to bid an alternate item, please list the item number, manufacturer and attach documents that will include a picture and specifications for your item, with this bid. The District will compare items. The decision as to whether alternates will be accepted is up to the District.

Changes are being made to Award Criteria to **include** the following:

IV. AWARD CRITERIA

The District reserves the right to make an award line by line, or in whole; whichever is most advantageous to the District. Award will be made to the lowest priced responsible bidder or bidders.

The District reserves the right to increase or decrease the quantities specified in this bid for any or all items. Quantities are listed but will be finalized prior to the final order with awarded vendors.

The successful bidder shall hold the awarded price constant for 120 days.

All bidders requiring a deposit, if awarded, need to state the information on their bid document.

Quantities are estimates. The District has the right to increase or decrease quantities.
