RFP # 10688 – Exterior Signage Upgrades for CHS/NHS

Addendum # 1

Clarification of 2.1:

2.1. Northern High School (NHS) - 1000 Idaho Avenue, Portage MI 49024

Portage Public Schools (PPS) is seeking to replace the exterior digital signage panels at NHS as the existing panels are beginning to fail. The existing panels are 19mm pixel pitch, red, 64 total. Pricing must include the cost of replacement panels, as well as installation. We are seeking to replace all panels, as the existing ones are to be reused as per section 2.2 of this RFP.

Clarification of Bid Submission Method:

Due to COVID19 we will make an exception and allow digital bid submissions by way of emailing to ahoward@portageps.org. Bid submissions are still required to be notarized, on our documentation/templates, and must be received prior to the deadline. Paper documentation is still acceptable as well.

Please acknowledge receipt of this addendum by signing, dating and attaching to your bid submission.

Thank you,

Amanda Howard, Accounting and Purchasing Specialist
