BID NO. ITB 19-017 ADDENDUM No. 2

Project: Avon Park Health Department Sidewalk and Parking Improvements ADA
Transition Plan

This addendum is being issued to clarify the intent of providing the contract and to answer a question received.

1. Bidder shall agree to enter into a Contract in the form, or in the substantial form, of the attached Contract in the solicitation documents.

Questions and Answers

1. Invitation to Bid, Section 00010-2 states "The Bidder must be a Licensed General Contractor in the State of Florida or other approved applicable license."

Please confirm State Certified Underground Utilities and Excavation Contractor is other approved applicable license for this project?

Answer: That is correct. Based on the work being performed on this project a Florida Certified Underground Utility and Excavation Contractor license would be able to bid on this project as the Prime contractor.
