

ADDENDUM NO. 2

DATE: March 24, 2022

TO: All Potential Bidders

FROM: Karisa Scott, Procurement Specialist, City of Knoxville

SUBJECT: Addendum No. 2 – Mobility Premium Software
Maintenance (NetMotion)

BIDS TO BE OPENED: March 28, at 11:00:00 a.m. (Eastern Time)

This addendum is being published to answer questions and becomes a part of the Contract Document and modifies the original specifications as noted.

Question #1: Could you please share the part number of the required software, and also please tell me these new licenses or a renewal request?

Response: This is for a renewal of the requested software. We do not have a part number to give you however it has been confirmed with NetMotion that the part number is not necessary. NetMotion is aware of what product the City of Knoxville needs and can quote accordingly.

Question #2: Which FAN will you be using NetMotion on?

Response: We do not have this information.
