**QUESTION:**

1. Provide a total bid tabulation of all participating companies who may or may have not won the last bid for the Annual Tree Removal that was issued either in 2021, 2022 and 2023. This request is to be understood to be the most recent. We are not sure if the 2021 bid was a 3-year bid that started in 2021 and rolled over to 2023 over each year for 3 years. Or a 2-year bid that started in 2022 and rolled over to 2023. Or just a one-year bid for 2023. We are also requesting the total bid tabulation of the previous winning company as well.

**Answer:**

The most recent bid opening took place on November 3, 2020. The contract was awarded for an initial period of 12 months, from January 2021 through December 31, 2021, with renewal options for a second and/or third 12-month periods. A total of four (4) bids were received and evaluated as summarized below:
