

## Bid #2129

### Poured Rubber Surface for Anderson County Schools' Preschool and HeadStart

#### Questions & Answers

- Shall I assume you want the winning bidder to remove the existing **"Blue Mat" material** and also dispose of it in a dumpster we provide?
- Shall I assume you want the winning bidder to excavate out & dispose of the **existing mulch & dirt** that is there currently, in a dumpster we provide?
- Same question regarding the **concrete slab** there currently - you want us to tear it out & dispose of it in a dumpster we provide?
- Do you want us to provide the materials & installation for the **compacted stone base** needed for underneath the rubber surfacing?

Answer: The proposed bid cost must include all labor, materials and equipment to complete the project. The awarded vendor will be required to remove all debris and maintain a safe working environment. This includes the mulch and the blue matting. The awarded vendor may set up a dumpster.
