**Addendum 002
December 5, 2022
RFP 23-R0014**

**Grounds and Landscape Maintenance for Bathsheba Bowens Park, Futrell Park
and Garden of Hope Park**

The purpose of this Addendum 002 to RFP 23-R0014 for Grounds and Landscape Maintenance for Bathsheba Bowens Park, Futrell Park and Garden of Hope Park, dated November 18, 2022, is to provide clarification to comments/questions received.

1. Do you want a price to perform service at all 16 garden plots? Where should this go on the bid sheet for Addendum 001?

Please provide a price to perform service for one (1) plot, on a bi-weekly basis, on the bid sheet under Alternate #1.

If Alternate #1 is added to the Service Agreement, this price will be used to determine the value of the work for number of unutilized plots. The City is unable to determine how many plots will remain unutilized until residents commit to their plots in the spring.

2. What would the frequency of service be for the garden plots?

The garden plots would be maintained on a bi-weekly basis as follows:

- Manual or Mechanical Removal - Emerged weeds shall be removed bi-weekly as needed by handpicking or mechanical means.

No herbicides will be used on the garden plots.

3. Confirm that the bid due date was extended from 12/5/22 @ 10:00 AM to 12/8/22 @ 2:00 PM.

The proposal date and time has not changed. Proposals are due no later than 2:00 PM (local time) on Thursday, December 8, 2022.

Sealed proposals are due in the Purchasing Office no later than 2:00PM (local time) on Thursday, December 8, 2022. No electronic submissions will be accepted. The City of Myrtle Beach is not responsible for late or misdirected mail.
