Addendum 1 Bid Form

### **Questions and Answers**

1. It is very difficult to find 7 gallon Red Maple, Gumbo Limbo, Dahoon Holly, Strangler Fig and the 15 gallon are much more expensive than the 7 gallon. Would you be able to substitute these four 7 gallon species with 7 gallon Slash Pines and more 7 gallon Live Oaks? Also, if there is any semi wet habitat in the summer, we can also do 7 gallon Bald Cypress if you need more variety.  
**Per the bid form, you can provide alternate sizes of materials (smaller or larger). We do not want to substitute more oaks, or add pines. The bid form has been updated to include the ability to propose alternate sizes and quantities.**
2. When do you anticipate the bid will be awarded, what is the time frame for the bid winner to start planting once awarded and does the 90 day maintenance start when the last plant is planted?  
**We anticipate award either August 17<sup>th</sup> or September 7<sup>th</sup>. Per Article 3 they must be complete by 90<sup>th</sup> day after contract time commences to run – we will issue notice to proceed immediately upon receiving all required documentation. 90 day maintenance period begins after all plants have been installed and signed off as acceptable/received and properly installed by County.**
