

ADDENDUM NO. 5

Issue Date: January 17, 2023
Project Name: Continuing Consulting Engineering Services
RFQ Number: 2023015
RFQ Opening Date: January 27, 2023

This addendum is being released to answer questions received to date. Duplicate questions may not receive a direct response. The information and documents contained in this addendum are hereby incorporated in the RFQ. This addendum must be acknowledged where indicated on the firm information form, or the SOQ may be declared non-responsive.

The deadline for questions has passed. NO ADDITIONAL QUESTIONS WILL BE CONSIDERED.

Questions and Answers

- Addendum 3 replies (to questions 12 and 13, relating to tabs 5 and 8), appear to contradict Addendum 1 (question 6, relating to tabs 5, 7, and 8), as it relates to consultant's individual experience while employed by the County.**

Tab 5 – Related Projects/Experience. All firms may list **one** Indian River County project, for each proposed discipline, not to exceed one project for Site/Civil Engineering (if proposed), one project for Utilities Engineering (if proposed), one project for Infrastructure Engineering (if proposed), and one project for Environmental Engineering (if proposed). Any non-firm experience, obtained by staff while previously employed by the County, it may be listed in Tab 5, clearly marked "INDIVIDUAL EXPERIENCE," as detailed in Addendum 1.

Tab 7 – Demonstration of Cost Control – There is no restriction against referencing Indian River County projects in this section.

Tab 8 – References – All firms may submit **one** Reference Form listing projects for Indian River County (if multiple POCs, list contact names, but you may exclude contact phone and email). Firms may submit one Reference Form with "Confidential Client(s)" listed. At least one reference must provide current contact information to facilitate verification (therefore, if Indian River County is your only named reference, name **one** contact person, phone, and email).

- 2. Would the County consider extending the due date for this SOQ by one week?**
No extension will be made.
- 3. Please clarify what is meant by 'heavy civil, structural, MEP', i.e., what type of projects are anticipated in this category?**
The County does not have specific projects planned at this time.
