- Patterson Community
521 Mercury Blvd
- SportsCom
2310 Memorial Blvd

2. Questions and **Answers:**

1. Can you please clarify the total number of 23 channel PRI needed and the specific location each will be located?

Probable full PRI locations are City Hall, MPD HQ and MWRD Admin office. Fractional PRI may be preferred at some of the mid-sized locations depending on service cost versus analog lines.

2. The RFP and attached location spreadsheet references “digital lines”- can you please clarify what type of service this refers to as we have full featured lines, mobility lines and basic lines.

For the purpose of this document, a “digital” line could either be a line within a PRI bundle or an analog line. The “analog” lines must be truly analog as most are connected to equipment that could potentially have compatibility issues with a line within a PRI.

3. The RFP notes that the bidder will be responsible for taxes- can you verify that the City of Murfreesboro is tax exempt from all taxes?

Per City of Murfreesboro Finance Department, the City is exempt from all taxes. This may not include federal or local “fees” not referred to as tax.
