Greetings from the Director

Over the past two years, it has been my pleasure to serve as the Director of the Wentzville Parks and Recreation Department. During this time, input from park users has helped us make changes and improvements to our park and recreation system. The last Parks and Recreation Master Plan was completed in 2004 and, as everyone is aware, a lot of things have changed in Wentzville since 2004. To keep pace with Wentzville's incredible growth and provide direction for the future of our Parks and Recreation Department, a process was started in early 2015 to update the Parks and Recreation Master Plan. This document is a planning tool that will guide improvements for developing the parks, recreation facilities and open spaces in this community for the next 10-12 years.

To help facilitate this process, the Parks and Recreation Department hired PROS Consulting to assist with the project. PROS worked with staff to conduct public outreach and collect feedback about what is working well or what could be improved regarding park amenities, maintenance and programming. From community input, a very high-level view of the current condition of our parks/facilities was developed, action items were identified and rough costs for implementation of the plan were assessed. The City will be able to use the Parks and Recreation Master Plan to prioritize future park improvements, allocate funding and solicit additional funding as opportunities present themselves.

In 2016, it is fitting that we have this Master Plan update to guide us as we are about to celebrate the opening of our newest park in the park system. We have received the final draft of the Wentzville Parks and Recreation Master Plan, which will soon be shared with the public. I would like to personally thank every Wentzville resident who took part in the planning process and helped us shape the future of Wentzville's park system. We appreciate the support and dedication shown by the City's Board of Aldermen, Parks and Recreation Board, and our residents. With your continued support and with guidance from this plan, Wentzville Parks and Recreation is poised to continue providing high-quality facilities and services to ensure a high quality of life for all of Wentzville.

Storybook Walk

The Friends of the Wentzville Parks is excited to sponsor a new amenity at Heartland Park! The Storybook Walk provides a new outdoor adventure that champions family connection, early childhood development, and health and wellness. Stories are handpicked by local library staff quarterly with a child's enjoyment in mind. Pages are posted at several stations along a trail, allowing families and friends to enjoy a story as they walk the path and take in the scenery. The next installation features the book "I Dare You NOT to Yawn" by H el ene Boudreau. A new book, "One of Those Days," by Amy Krause Rosenthal, will be featured in November. Check out the Storybook Walk & Craft program on pg. 22.

Memorial Tree and Bench Program

You can honor your loved ones within our park system. Legacy trees and memorial benches provide a lasting way to pay tribute to a loved one or friend. PARK WATCH

*We Need

Vandalism continues to be a problem in our City parks. The Wentzville Parks and Recreation Department strives to partner with the community to help stop this frustrating and destructive crime. **Vandalism impacts our residents directly as taxpayer dollars must be spent to repair and replace the damages.**

Report It!

We need your help to commit to "no tolerance" for vandalism in our community. Report vandalism if you see it, educate your kids about taking care of our parks, and help us keep Wentzville looking clean and beautiful!

- Call the **Wentzville Police Department at (636) 327-5105** if you see anyone acting suspicious, damaging property, driving on the grass or defacing playground equipment.
- Report vandalism through the City's website at **bit.ly/reportaconcern**.

BUDDY the Elf is back!

Between NOV 28 and DEC 19, look for Buddy, the life-sized elf, at one of Wentzville's parks and/or City buildings.

Buddy will move to a new location every few days. Buddy will post pictures and/or clues about his location on Wentzville's Parks and Recreation Facebook page. Simply find Buddy, take creative pictures and send them to fun@wentzvillemo.org.

Prizes will be awarded for the most creative and family-fun photos with Buddy, on DEC 22. This contest open to both residents and nonresidents; enter as often as you like. Buddy is one-of-a-kind, so remember to be nice to him or Santa will know.

Every family that enters will receive a prize. All photos must be submitted by DEC 20. Photos become property of the City of Wentzville.
