(REVISED) OPENING DATE: Wednesday, January 17, 2024

(REVISED) OPENING TIME: 4:00 PM ET

Site Inspection: VOLUNTARY – By Prior Appointment

PROCUREMENT FOR: Hangar Taxilane Improvements and Hangar Sitework at Georgetown County Airport (GGE)

This addendum will amend **BID #23-037 REBID, Hangar Taxilane Improvements and Hangar Sitework at Georgetown County Airport (GGE)** originally issued on Monday, November 27, 2023. This clarification is being provided to all known and registered correspondents in response to questions received. All addenda and original bid documents are also available online at: www.gtcounty.org, select “Bid Opportunities” from the Quick Links section.

Question 1: Do you have a plan holders list for this project? Could you please send me a list of all companies that are registered to bid for this project?

Response: Unfortunately, there is not a way for me to advise a list of plan holders since we do not require registration for users to access our bid documents. We only require registration in order for someone to bid. Attached is a listing of who was sent out email notifications from our Vendor Registry system. This list includes vendors that are registered directly with the County to be notified of bid opportunities which match the commodity codes/services we are seeking as well as vendors registered directly with Vendor Registry to be notified of such opportunities who may not yet be registered with the County. It also includes vendors we have sought out directly via web searches, local vendors, etc.

CHANGE: See revised timeline below extending the bid out by an additional week.
