

**ADDENDUM #1
FOR
532 GLENDALYN AVENUE**

Contractors: Please Note a Change Addendum that has been made to the Scope of Work listed on Page (4) Four. See Change Under:

“ INTERIOR INTERIM LEAD WORK”

Bullet #5 will be changed to:

- **The simulated brick wall covering in the kitchen will be painted with “Incapsulate paint” and then covered with two coats of latex paint. The remaining kitchen walls and woodwork will be painted as well with two coats of latex paint. White on woodwork, color choice of walls from client**
- **The simulated brick in the second floor hall bathroom will be covered with sheetrock, taped and painted. The entire second floor bathroom will also be painted including the bathroom ceiling. Discuss color choices with client**
- **The exposed stringer facing of the first to second floor staircase will be painted with one coat of encapsulate and two coats of latex paint. Current color is white. Spindles and handrail not included. No lead paint detected.**
