RE: Addendum -RFP 23-014

I. Additional Question and Answer

1. Can you please clarify a few things? I've found a pdf online with a list of buildings, attached. Are these all the building in the pending clarification pdf to be included in Cleaning RF 23-014 pdf/scope of work?

Yes, In one way or another there will be some type of cleaning whether that's carpet shampooing or window cleaning, etc. in each building that might be needed.
