RE: Addendum 2 -RFP 23-014 Deadline Extended and Questions & Answers

---

### I. Deadline Extended

NMHU has made the determination to extend the proposal deadline to March 07, 2023 at 2:00pm

### II. Additional Question and Answer

1. Is NMHU also wanting day custodians included with the cleaning services or is this for night/evening cleaning services only?  
This is mainly for day and weekend cleaning services.
2. If NMHU would like day custodians included in the cleaning services program, does NMHU have a preference on the number of day custodians?  
We do not have a preference. We will leave that up to the vendor based on need.
3. Will the contractor or NMHU provide cleaning chemicals, cleaning equipment, and consumable products?  
Vendors are to provide their own chemicals, cleaning equipment, and consumable products.

\*Offerors must acknowledge this amendment in Attachment 1 when submitting proposal.
