**Addendum #01
February 7, 2024
IFB 24-B0031
79th Avenue N Multi-Use Path**

The purpose of this Addendum #01 to IFB 24-B0031 for 79th Avenue Multi-Use Path dated February 7, 2024, is to list the key points of discussion from the pre-bid meeting and to provide the pre-bid meeting sign-in sheet that is attached to and hereby made a part of this addendum.

- This is a 120 day project. Liquidated damages are \$500.00 per day. The Prime Contractor is responsible for 70% of the work.
- Work shall only be conducted between 7:00a.m. to 7:00p.m., Monday through Saturday. Night and Sunday work shall not be conducted without prior authorization from the City.
- The overall length of this project is approximately 4,600 linear feet.
- The geotechnical report was conducted by ECS Southeast and is included in the bid specifications.
- All concrete used in this project will be 4,000 PSI with fiber mesh. ADA pads will be installed using the wet set method.
- The Alternate bid for 76th Avenue North will have no bearing in the determination of award.
- All measurements on drawings and plans are estimates that must be confirmed in the field.
- Driveways to private property must be maintained throughout the work of this project.
- The paving portion of this project will include full depth patching as needed. All locations must be approved by the Infrastructure Team prior to patching.
- SCDOT permitting will be required at the intersection of Highway 17 Bypass. Encroachment permits have already been submitted.

All questions must be received by the Buyer, in writing, prior to Friday, February 9, 2024 at 5:00p.m. All addenda will be issued prior to Friday, February 16, 2024 at 5:00p.m. All bid submissions must be received by the Procurement Office prior to Thursday, February 22, 2024 at 2:00p.m.
