ADDENDUM ONE

Solicitation: 2018-021
Addendum Release Date: March 3, 2018

The following questions have been received and are listed in blue.
The answers to each question are listed in red.

1. There was a question regarding section 14 of the statement of work. The section details the requirements for body bags/pouches. Each body bag should have six handles. At this time the Coroner plans to provide the body pouches.
