

1. Does the cover letter count against the page limit? **No** And does it need to be double-spaced like the body text in the rest of the proposal? **No**
2. Does a Table of Contents page count against the page limit? **No**
3. Can we include bios/resumes for additional staff in the appendices? **Yes** Or do all team bios/resumes need to fit within the 25 page limit?

I would like to get a set of current construction plans for this project.

Would you be able to help me with that, or know someone who could? **Plans will be available to the successful proposer.**

Due to coronavirus concerns, staff working remotely, and office production capabilities difficult to arrange, would you consider accepting electronic submissions in lieu of five hard copies? **No, please send hard copies.**

Will current right-of-way or construction plans be made available to proposers? **Plans will be available to the successful proposer.**

1. If a utility coordination report was prepared for this project, will it be made available to proposers? **No**

Will any Memorandum of Understanding (MOU) or Intergovernmental Agreement (IGA) between the Town of Summerville and SCDOT be made available so that proposers understand what responsibilities, if any, SCDOT may have on this project? **IGA with SCDOT will be available to the successful proposer.**

2. Will an encroachment permit be required from SCDOT or is that addressed by an MOU or IGA? **Addressed by the IGA**
3. What is the status of SCDHEC and Army Corps of Engineer permits for this project? **Army Corps permit has been acquired. SCDHEC permit has not been acquired yet**
4. Does the Town of Summerville have a Construction Agreement with Norfolk Southern Railroad? **Yes**

1. Will the Town be performing ROW acquisition? **Yes, ROW acquisition is nearly complete**
2. Does the letter of interest count in the page count? **No**
3. Does the letter of interest have to be double spaced? **No**
4. Is it safe to assume that covers, backs, and tabs/dividers do not count in the page count? **Yes**
5. Can you identify who the Town considers key personnel for this project? **Public Works Director**
6. Can we include full resumes in the Appendix? **Yes**
7. What is the anticipated project start date? **Anticipate construction letting in Fall 2020**
8. How long do you expect the project to last (expected duration)? **24 - 30 months**
9. May we have permission to use the Town of Summerville logo for proposal purposes only? **Yes**

1. Does the Town of Summerville have an anticipated construction letting planned for N. Maple Avenue? **Anticipate construction letting in Fall 2020**
2. Will the SCDOT District and Columbia lab be available for material testing? **No**
3. Will consultant be responsible for inspection of beams and girders and similar at the various plants? **There are no beams or girders in scope of this project**
