**Addendum #01
October 9, 2023
IFB 24-B0012
Detention Center Meal Provisions**

The purpose of this Addendum #01 to IFB 24-B0012 for Detention Center Meal Provisions, dated October 9, 2023 is to provide answers to the following questions and provide invoices:

1. What is the population?

The Detention Center population averages twenty (20) detainees per day. However, the population increases, on average, during tourist season (May 1 through September 30) and decreases during the off-season. For reference, there was an average of twenty-five (25) in January and February of 2023 and sixty-eight (68) in May of 2023.

2. Who is currently your kitchen vendor?

The Detention Center does not employ a kitchen vendor. All meals are pre-packaged foods that are delivered, then distributed by the Detention Center staff. The current vendor of the pre-packaged foods is Grand Strand Sandwich Company.

3. Can I get a copy of your menus?

The Detention Center's menu consists of the items listed in the Price Schedule of the IFB documents (page 25).

4. Can I get a copy of your last three months invoices?

Invoices of the past three months are attached to and are hereby made a part of this addendum.

Please submit your bid in a sealed envelope prior to 2:00p.m. (local time) on Thursday, October 12, 2023. No electronic submissions will be accepted. The City is not responsible for late or misdirected mail.

Thank you,

City of Myrtle Beach
