

WILLIAMSON COUNTY GOVERNMENT

April 13, 2020
Addendum # 1
Highway Tires
Bid Date May 5, 2020, 2:00 p.m.

Williamson County has received the following questions:

1. We are still not able to find a tire size for an 18.00-24. Could 16.00-24 be the correct size?

Yes, please change 18.00-24 to 16.00-24 on line 23.

2. I need more clarification because the brands stated were three different tiers.

The specifications do not include any information on tiers. 100 level or better is acceptable on any of the brands listed.

We will NOT accept multiple options for brands and pricing on this bid. Use the included bid sheet and bid the unit price and brand you are offering.
