**Question 3: Some of the decorative light poles are already black in color, do we paint them also? Yes, these are included in the count of 176 decorative pole lights so, they will need to be painted with a new coat of paint also.**

**Question 4: Will the awarded contractor be able to work weekends? Although section 1.4 addresses this, the department is ok with weekend work if approved by department designated contact for the project.**

**Question 5: Will the bid be awarded to one contractor or two? Preferably one contractor with all factors being considered and in the best interest of the City.**
