ADDENDUM #1 TO BID #21-024

BID NUMBER: 21-024

ISSUE DATE: Friday, April 9, 2021

OPENING DATE: Wednesday, April 28, 2021

OPENING TIME: 3:00 PM (ET)

Site Inspection: On Own

PROCUREMENT FOR: Marshwalk Repair & Replacement

This addendum will amend **BID #21-024, Marshwalk Repair & Replacement** originally issued on Wednesday, March 31, 2021. This clarification is being provided to all known and registered correspondents in response to questions received. All addenda and original bid documents are also available online at: www.gtcounty.org, select "Bid Opportunities" from the Quick Links section and "View Current Bid Solicitations."

Question #1: Could you please confirm that #12 x 3" stainless screws are to be used on this project. We were under the assumption that they were to be #10 x 3" stainless steel screws?

Response: Deckboard and Guardrails can be fastened with #10 (0.190") x 3" 316 stainless screws, in lieu of #12 (0.216") to minimize splitting of the endgrain.

Question #2: Could you please tell me if there is an estimated cost or budget for the above project?

Response: Budget is to be determined.

Question #3: Also, are there set dates in which work might begin or when it must be completed by?

Response: This is an FY22 budgeted expense. Therefore, work will begin after 7/1/2021.

Question #4: Is there a plan holder's list?

Response: See attached for an analytics report from Vendor Registry. Please keep in mind however that this information is not an accurate portrayal of all plan holders as we do not require a vendor to be registered in order to view or download the bid information. This report only lists those vendors who were registered and logged into their Vendor Registry account when they viewed/downloaded the information.
