The following are questions and answers to the IFB #309-18 2018 Vehicles for the Sheriff's Office:

QUESTION #1: Is there a specific model number/ engine size for the Stihl Chainsaws? Several models can be purchased with a 16 in bar.

ANSWER: The chainsaw model number is MS-180.

QUESTION #2: What up-fitter usually outfits your cars?

ANSWER: The previous Contractor submitted pricing for the up-fitting from Patrol Upfitters, 3993 State Highway 365, Baldwin, Georgia 30510. Phone: 706-778-7233. Email: patrolupfitters@gmail.com. As a note to this answer, Dawson County does not require this vendor to be used to calculate pricing when submitting a response to this IFB. Each Bidder should determine its own upfitter.

QUESTION #3: Are the sedans all- wheel drive?

ANSWER: The Utility (SUV) Vehicles requested are to be all-wheel drive.

QUESTION #3: Looking at the bid, Specifications "C" and "D" the Sound Off NForce interior 9 LED Light Bar, all Blue, is that to be a Two Piece, Driver and Passenger, or just a passenger side only without any lights over the Driver's Side?

ANSWER: The light bar should be two pieces: driver and passenger side.

QUESTION #3: On the Ford Utility vehicles I don't see auxiliary A/C as an option to be included. I strongly advise adding this for any patrol vehicles having the cage as the cage blocks the a/c from the rear.

ANSWER: Yes, we agree, the auxiliary A/C is to be included for the rear to cool the passenger area.
