Subject:	RE: SMSRA&A Safety Plan RFP Questions

Luis,

Answers from us.

Phase 1
Item 1. Do all the referenced agencies currently have a Safety and Security Emergency Program Plan (SSEPP)? Yes Which ones if not all?
Who developed those plans for the agencies? Unsure; assuming internal staff. Last updated in 2013.
Item 2. Will there by one two-day site meeting that includes all agencies or will there be a two-day site meeting with each agency?
       Does the agency contract with a 3rd party for operations? No Drivers? No Maintenance? No
Item 3. Small Transportation provider is defined as fixed route bus operations of 100 buses or less during peak operating hours
   Please provide the following information for each agency
 -Number of buses in operations and reserve (regular and paratransit)
       (19) 35-40' fixed route buses total/(13) in peak revenue service
       (8) paratransit cutaways total/(5) in peak revenue service
       (4) trolleys total/(4) in peak revenue service
       (11) non-revenue support vehicles
 -Number of routes and stops
       (12) Fixed Routes – 426 bus stops
       (4) trolley routes – 44 trolley stops
 -Types of Service - fixed route, on demand, paratransit, other
       Fixed Route, trolley, paratransit

Subject: SMSRA&A Safety Plan RFP Questions

Mr. Wright,

Tetra Tech would like to submit the following questions to clarify RFP 1920-10-1-02
Phase 1
Item 1. Do all the referenced agencies currently have a Safety and Security Emergency Program Plan (SSEPP)? Which ones if not all?

      Who developed those plans for the agencies?

Item 2. Will there by one two-day site meeting that includes all agencies or will there be a two-day site meeting with each agency?
      Does the agency contract with a 3rd party for operations? Drivers? Maintenance?
Item 3. Small Transportation provider is defined as fixed route bus operations of 100 buses or less during peak operating hours

      Please provide the following information for each agency

        -Number of buses in operations and reserve (regular and paratransit)
        -Number of routes and stops
        -Types of Service - fixed route, on demand, paratransit, other

Additional questions:
Does SPARTA anticipate making multiple awards? Or will the award be all to one vendor?
What is the budget for this project?

Thank you taking the time to clarify the details of this RFP.

Best regards,
Beth Durmire
