Questions/Clarifications

1. Do you have any irrigation plans for the scope or will it be Design-Build for us? **No irrigation system will be included in this phase of the project.**
2. Where is the irrigation water supply and meter or is that to be installed by us or you? **Not applicable, per above.**
3. Also, I sent your plans to our Electrical Division and they will be contacting you regarding the lighting package. **Georgia Power Lighting is going to install all outdoor lighting for this project. No electrical work is included in the scope of this RFP.**
