VENDOR QUESTION & ANSWERS

How will the County pay for Grading? Answer: Grading is incidental to the item that is being installed.
How will the County pay for General Excavation? (I.e. the excavation necessary for a Bioretention facility, not incidental to the stone, structures or geotextile) Answer: Excavation is incidental to the bio-retention work.
How will the County address specific costs related to the Site Conditions like construction access roads, saturated materials from excavation, staging areas, double handling of materials due to steep slopes of the job site, limited access of heavy trucks, stream bank protection, etc. Answer: Majority of the projects are roadside bio-retention. There is no separate payment for the cost of Construction Access, staging, and other constraints. These costs are incidental to the project cost.
Can you please explain further the measurement and payment units for line item 01500-C13-00470, will it be per CY or per TON? Answer: The unit of measurement shall be Ton. The pricing sheet is revised accordingly.
