Addendum #1 on Bid # 4695 – Medical Equipment, making the following corrections and clarifications:

QUESTION: Do you have estimated annual usage of these products?

RESPONSE: Quantities vary from year to year. Anderson County EMS records approximately 20,000 responses per year.

QUESTION: You have adult dfib pads listed on the bid 3 times. Does this mean you have 3 different manufacturers?

RESPONSE: That was a typo.

QUESTION: Can I get an approximate quantity?

RESPONSE: Quantities vary from year to year. Anderson County EMS records approximately 20,000 responses per year.

QUESTION: Can you please give me information regarding:

- Estimated annual volume usage in cases of each battery size?

RESPONSE: We cannot.

- Estimated frequency of delivery/shipment of battery items? Bulk sized shipments two or three times annually? Quarterly shipments? Monthly shipments expected? Etc.

RESPONSE: We order as needed, usually small quantities.

- Do you have a strong preference for Energizer/Duracell? Most medical facilities require either Energizer or Duracell in my experience, but some consider alternatives such as Rayovac.

RESPONSE: Prefer Energizer/Duracell.

QUESTION: Please clarify the following items:

- Strap 9' Seat Belt Straps - Is this Disposable or Reusable? What type of Buckle? Is this a one piece Strap?

RESPONSE: One piece reusable.

- Cervical Collars Are these one piece collars, or adjustable collars?  
RESPONSE: They are both one piece and adjustable in the same device.
- Defibrillation Pads, need more information.  
RESPONSE: Must be compatible with Zoll E series cardiac monitors.
- Disposable Thermometer covers, for what type of thermometer?  
RESPONSE: Tympanic and Welch Oral/rectal thermometer.
- Electrodes, need product codes.  
RESPONSE: Compatible with Zoll E series cardiac monitor.
- Portable o2 Regulators, need more information, description.  
RESPONSE: Delete this item; they are no longer in use.
- 5'speed clip straps, reusable or disposable, metal or plastic?  
RESPONSE: Reusable, metal.
- 123A Battery, more information needed.  
RESPONSE: Is used in some AEDs, it is typically used for cameras.
- 2032 9volt battery more information needed.  
RESPONSE: Delete "9volt" should just be 2032 battery, is used in glucometers.
- EKG Electrodes 30 pak, more information needed.  
RESPONSE: Compatible with Zoll E series cardiac monitor.
