

ADDENDUM NUMBER TWO
REPLACEMENT ROOFING SYSTEM FOR
HIXSON COMMUNITY CENTER
5401 SCHOOL DRIVE, CHATTANOOGA, TN 37343
FOR THE CITY OF CHATTANOOGA, TENNESSEE
Contract Number Y-19-002

Questions have been received regarding the Hixson Community Center roofing project.

Question: Concerning this job, are you essentially asking for 2 separate bids - one that includes the additional area of 8,500 sq ft, and one that doesn't? Or is it an either/or situation? Does one have a priority over the other?

Answer: We are requesting, under the primary bid section, a bid on re-roofing the Gymnasium only. Under the Alternate 1 section, we are requesting a price for re-roofing the area labelled as Section 2 only, as additional work to the Primary Bid section. The Primary Bid section will be awarded. The work in the Alternate 1 section will be awarded in addition to the Primary Bid Section, if the department funding the work determines that they have sufficient funds for both parts.

Question: While we were processing the specifications for the project above we noticed the following was missing according to the Table of Contents:
01090 Abbreviations

Was this left out intentionally?

Answer: This section was omitted in error. It is attached to this addendum.
