

WILLIAMSON COUNTY GOVERNMENT

Addendum #2 **Parks Janitorial Services- ISC, Nolensville, Franklin Recreation Centers** **Bid Date November 5, 2020**

Williamson County has received the following question:

1. The number of Federal Holidays. We currently recognize 10, is this what Williamson County will use? *Yes*
2. Bid Forms lines have Total Cost per month, to be consistent with other bids would you prefer we just put in the DAILY amount so Williamson County can pay monthly according to actual number of days in the pay cycle, or use 355 days per year and divide by 12? *Please submit your bid in the format included on the bid sheet. It is to be a monthly charge.*
3. The addendum bid sheet amount per square foot multiplied by the facility square feet did not match. Is this due to the above method of calculation? Also, the amount appears to be "per service" amount not a monthly charge. *The price per square foot is requested in case additional square feet is added during the term of the contract.*
