

ADDENDUM NO. 1

DATE: June 13, 2022
TO: All Potential Bidders
FROM: Karisa Scott, Procurement Specialist, City of Knoxville
SUBJECT: Addendum No. 1 – Medium Duty Ambulance

BIDS TO BE OPENED: July 1, 2022, at 11:00:00 a.m. (Eastern Time)

This addendum is being published to answer questions and provide clarifications from the pre-bid meeting and becomes a part of the Contract Document and modifies the original specifications as noted.

Question #1: Regarding the Multiplex specification on page 52. Does the City of Knoxville want to engage in multiplexing given the supply chain issues?

Response: Yes, we will require the system to be a multiplex system. The City **will not** accept hardwiring.

Clarification on taking exceptions due to proprietary systems:

Bidders may take exception to specifications which are proprietary in nature and not available to all potential suppliers but **must** provide documentation showing the alternative solution is equal in safety and function to the excepted specification.
