**Addendum 02
August 25, 2023
IFB 24-B0006
Fencing for Fields C and E at Ned Donkle Complex**

The purpose of this Addendum 02 to IFB 24-B0006 for Fencing for Fields C and E at Ned Donkle Complex, dated August 9, 2023, and previously amended on August 17, 2023 is to provide answers to questions received.

- Per SCDLLR any fence job that is over \$10,000 and has concrete footings for the post, the company is required to have a General Contractor's Concrete License. Will we be required to have this license in order to bid and be awarded this project?
 - **Yes, a General Contractor's Concrete License will be required for the project and a copy of the License should be submitted with the bid.**

- On the price schedule there is an area for the total for Fields C and E and a separate total for Alternate #1 for Field D. Do we need to add the total for the electrical panel fencing (added in the Pre-Bid Conference) to the total of Fields C and E or does it need to be on a separate total?
 - **Yes, the electrical panel cage/fencing added during the Pre-Bid Conference are to be included in the total price for Fields C and E. This does not need to be a separate total.**

- Sealed bids are due in the Purchasing Office no later than 2:00PM (local time) on Thursday, September 7, 2023. No electronic submissions will be accepted. The City of Myrtle Beach is not responsible for late or misdirected mail.

Please send in your sealed bid to the address listed below:
