

### **Addendum #1**

## Pickle Ball Courts

- We have received a number of questions for this RFP. Answers are below.
  - Is there a pre bid meeting?
    - No, please see page 3 in the bid document to set up a site visit.
  - Do the specifications call for a permanent crack repair system ?
    - Please include information in your proposal about any necessary crack repair systems and include the price of the crack repair system in your total cost.
  - How does the court drain?
    - We encourage bidders to visit the site to see how courts drain.
  - Where is the closest water/power source and restrooms?
    - 90 feet from tennis court site.
  - Is there going to be a netting fence around the perimeter of the courts?
    - There is a fence in place and it will remain.
  - In your summary of work there is no mention of applying a sand – filled color playing surface.
    - No specific color coating is referenced in the RFP. If you propose such a surface or color scheme, please provide details in your proposal.
  - Please send pictures of courts.
    - Please see the attached pictures of the current tennis court.

**Please sign the “Receipt of Addenda” page 6 in the bid package and include it with your submission.**
