#### ADDENDUM # 1

---

Answer: Phase 1 project was procured under emergency conditions in 2008. The table below represents the costs as received 10 years ago for the prior phase. The work was awarded to IEG:

#### Cost Summary

CONTRACTOR	Unit Price	Extended Total
Brent Scarborough	\$69.95	\$139,900
IEG	\$73.00	\$146,000
Wade Coots	\$94.00	\$188,000
Southeast Pipe	\$104.00	\$208,000

9. **Re: Bid Tabulation - I would like to receive the information for the Southern Rd Sewer Project Phase One.**

Answer: See response to question 8.

10. **Can we patch the asphalt, or will we need to overlay from curb to curb?**

Answer: Existing asphalt adjacent to the affected work area(s) will be milled from curb to curb and new asphalt installed.

11. **Will Railroad Flagmen be needed for the bore? If so, will we need to figure that cost in our bid or will CCWA take care of that cost?**

Answer: CCWA does not know at this time if railroad flagmen will be required for the bore. CCWA will pay any expenses associated with flagmen provided by the railroad.
