

**Addendum 01  
February 1, 2024  
IFB 24-B0036  
Concrete Mulch Bins**

The purpose of this Addendum 01 to IFB 24-B0036 for Concrete Mulch Bins for the Parks, Recreation and Sports Tourism Department, dated January 24, 2024, is to list the key points of discussion from the mandatory pre-bid site visit.

- It is the intent of this IFB to install concrete mulch bins at the Parks and Recreation waste area located off Myers Avenue in Myrtle Beach, SC. Work to include:
  - The Contractor will install a 60 foot long and 25 foot wide (deep), eight (8) inch thick concrete pad with four (4) inches of base material. The walls will be 64 inches high. Base material will be cocquina or ROC.
  - The blocks will be standard 8"x8"x16", gray with two (2) open cells.
  - Concrete will be 4000 psi with fiber for the pad and to fill the concrete blocks.
  - There will be no wire in the pad.
  - There will be a bond beam half way up the wall and a bond beam at the top of the wall. The walls will require rebar every two feet. The rebar will be continuous on all walls. (The specifications for the bond beam and rebar are in addition to those in the IFB.)
  - Finish elevation will be worked out with the Contractor who performs the work.
- This is a landscaping project and does not require permitting. No permit will be required for this work and no stamped drawings will be needed.
- Work hours are from 7:00 AM to dark Monday through Saturday, excluding City holidays.
- The sign-in sheet from the mandatory site visit is attached and is hereby made a part of this addendum.
- Additional questions are due no later than 12:00PM (local time) on February 7, 2024. Questions may be submitted via e-mail to [lgreenough@cityofmyrtlebeach.com](mailto:lgreenough@cityofmyrtlebeach.com) Official time of receipt will be marked by the time the e-mail is received, and not by the time that it is sent. E-mail messages can take up to ten (10) minutes or more to be delivered to the intended recipient. All questions received by the deadline will be answered via addendum.

- Sealed bids are due in the Procurement Office no later than 2:00PM (local time) on Thursday, February 22, 2024. No electronic submissions will be accepted. The City of Myrtle Beach is not responsible for late or misdirected mail.

Please send in your sealed bid to the address listed below:
