This addendum is being published to respond to questions regarding the above-referenced Evaluated Invitation to Bid. This addendum becomes a part of the Contract Document and modifies the original specifications as noted.

Question 1: Since training is conducted in Indiana and we are only selling a dog (good) to Tennessee...is our Indiana business license all we need?

Response: Yes.

Question 2: SECTION 31: Our business has a certificate of liability for our business, but once you take possession of the dog we do NOT cover the handler, dog, or their vehicle, etc. on our insurance. Does the City agree that this is sufficient?

Response: Yes.

Question 3: SECTION 31 C. Workers' Compensation. Since I am the only employee, I do not carry worker's compensation. I have my own medical insurance. Does the City agree that this is sufficient?

Response: Yes. Any vendor with no employee's is permitted to submit a statement with bid submission documenting exception to Worker's Compensation insurance for the above-mentioned reasoning.
