

ADDENDUM NUMBER 4 TO THE BID DOCUMENTS

To all general contract bidders of record on the Bid Proposal titled:

**“WILLIAMSON COUNTY LANDFILL GLASS-LINED LEACHATE STORAGE TANK
INSTALLATION**

CONTRACT BID DOCUMENTS AND SPECIFICATIONS JULY 2020”

CEC Project Number 195-266

Addendum Date: July 30, 2020

A. This Addendum shall be considered part of the bid documents for the above mentioned project as though it had been issued at the same time and shall be incorporated integrally therewith. Where provisions of the following supplementary data differ from those of the original bid documents, this Addendum shall govern and take precedence.

B. Bidders are hereby notified that they shall make any necessary adjustments in their estimates as a result of this Addendum. It will be construed that each bidder's proposal is submitted with full knowledge of all modifications and supplemental data specified herein.

The bid documents are modified and clarified, as follows:

Addendum Items:

Item #1: Item #4 of Addendum 1 and Item #2 of Addendum 2 have been revised as follows:

*“The current containment area for the existing tanks contains rainwater. It is the Contractor’s responsibility, as part of this work, to pump out the contents of the containment area and clean the containment area prior to the placement of new construction materials within the existing containment area. **Contents of the containment area shall be pumped into the existing leachate storage tanks.**”*

Item #2: The existing drainpipe and valve for the existing concrete containment area for the leachate tanks (located at the southeast corner of the existing containment wall) are to be removed and the opening in the wall plugged with concrete to form a watertight seal. This is to be performed

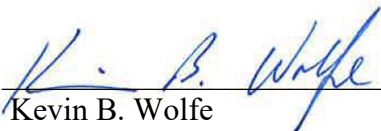

Addendum #4 to the Bid Documents
CEC Project 195-266
