INVITATION TO BID NO. 20-250-ITB

ADDENDUM NO. 1

Arlington County Invitation to Bid No. 20-250-ITB for construction and streetscape improvements for three (3) capital projects is amended as follows:

**Attachment A - Combined Pricing Sheet DC13-DC14-DC17 is hereby replaced in its entirety with the Revised Attachment A - Combined Pricing Sheet DC13-DC14-DC17.** Bid response **Must** be on the **“Revised Attachment A - Combined Pricing Sheet DC13-DC14-DC17”**.

The following clarifications are made as a result of vendor inquiries:

1. Are there MBE/WBE or DBE goals on this project? Are all contractors - both sub and prime required to be VDOT Prequalified? If so, please confirm what VDOT paperwork is required along with our bid submission.

**Answer: There are no MBE/WBE or DBE goals on this project. All work in the Arlington County right of way, no requirements for either the prime or subs to be VDOT pre-qualified nor is there any VDOT paperwork required with the submission.**

2. The specifications state that the mobilization and demobilization will be listed as a multiplier (percentage) however they are actually a lump sum price on the spreadsheet provided. Should we list a lump sum price for each project site or should it be a percentage of each bid price?

**Answer: Mobilization/Demobilization should be listed as a percentage of the bid.**

3. If rock or any other type of obstruction is encountered below grade, who is responsible for payment considering excavation and demolition are incidental?

**Answer: The County will pay for rock excavation, if any. This is listed as a stipulated price item. This is seen as an unforeseen condition.**

The balance of the solicitation remains unchanged.
