**ADDENDUM NO. 1**

DATE: April 22, 2019  
PROJECT: RFP 19225  
TRANSPORTATION PLANNING CONTINUING PROFESSIONAL  
SERVICES

OPENING DATE: May 8, 2019

This addendum is hereby incorporated into the Request for Proposal for the project referenced above. The following items are clarifications, corrections, additions, deletions and/or revisions to and shall take precedence over the original documents. Additions are indicated by underlining, deletions are indicated by ~~striketrough~~.

1. The Scope of Work described in the Invitation is hereby CHANGED to read as follows:

**SCOPE OF WORK:** Transportation Planning support including GIS database and system administration; roadway characteristics inventory; preparation of various mapping and graphics tasks for presentation or reports; Traffic Impact Analysis; multi-modal study or transportation alternative studies; review or preparation of applicable ordinances, DRIs, and FQDs, transportation concurrency assessment, CPAs, and EARs; support city staff with grant applications related to the TPO or other granting agencies; corridor analyses; public involvement; access management support; ~~traffic signal warrant and traffic calming studies~~; provide recommendations for functional classification of roadways; update and maintain the city's vested trip tracker, review and prepare proportionate Fair Share Agreements.

2. Scope of Work, Section D.13 is hereby CHANGED: "13. ~~Conduct traffic signal warrant studies~~ Reserved";

All other terms and conditions remain the same.

Proposers shall acknowledge receipt of this addendum in their Proposal transmittal letter.
